What is time?
The striking of the clock,
the running of the sand,
day and night
summer and winter
months, years, centuries —
These are arbitrary measures of Time,
not Time itself.
Time is the life of the soul.

Endless Summer . . .

Homecoming 1972 was an eventful and fun-filled week revolving around the "Endless Summer" theme. Individual and organizational floats competed in the annual car parade, with first-place trophies for each category going to Janis Hilke and the Senior Class. Following the judging on campus, the floats paraded through town, bound for Plaza Park where a spirited rally took place. Traditional class competitions were featured in the assembly held on Thalassa Field the next morning, but the real excitement came during half-time ceremonies at the SC-Villa Park football game when Ida Chavez was crowned queen. Festivities ended with the GAA-sponsored homecoming dance Friday evening.

During the homecoming pep assembly, seniors won the push-a-bug contest and the spirit stick, which they awarded to Varsity Head Football Coach Allie Schaff. Assistant Coach Rudy Kadlub emerged victorious from his part in the "sock it to 'em" skit, and the five finalists for homecoming queen were introduced to the student body.

The Senior Class selected fifteen girls to be semi-finalists in the 1972 homecoming queen contest. *From left* are (row one) Polly Renfro, Lisa Steiner, Chris Lidke, Janet Gibson, and Debbie Wagner; (row two) Janice Boyer, Terri Vedder, Ida Chavez, and Barbara Buhl; (row three) Shelley Birtcher, Melanie Serences, Della McGarry, Joanne Johnston, and Dawn Bewsey. Homecoming ·1972·

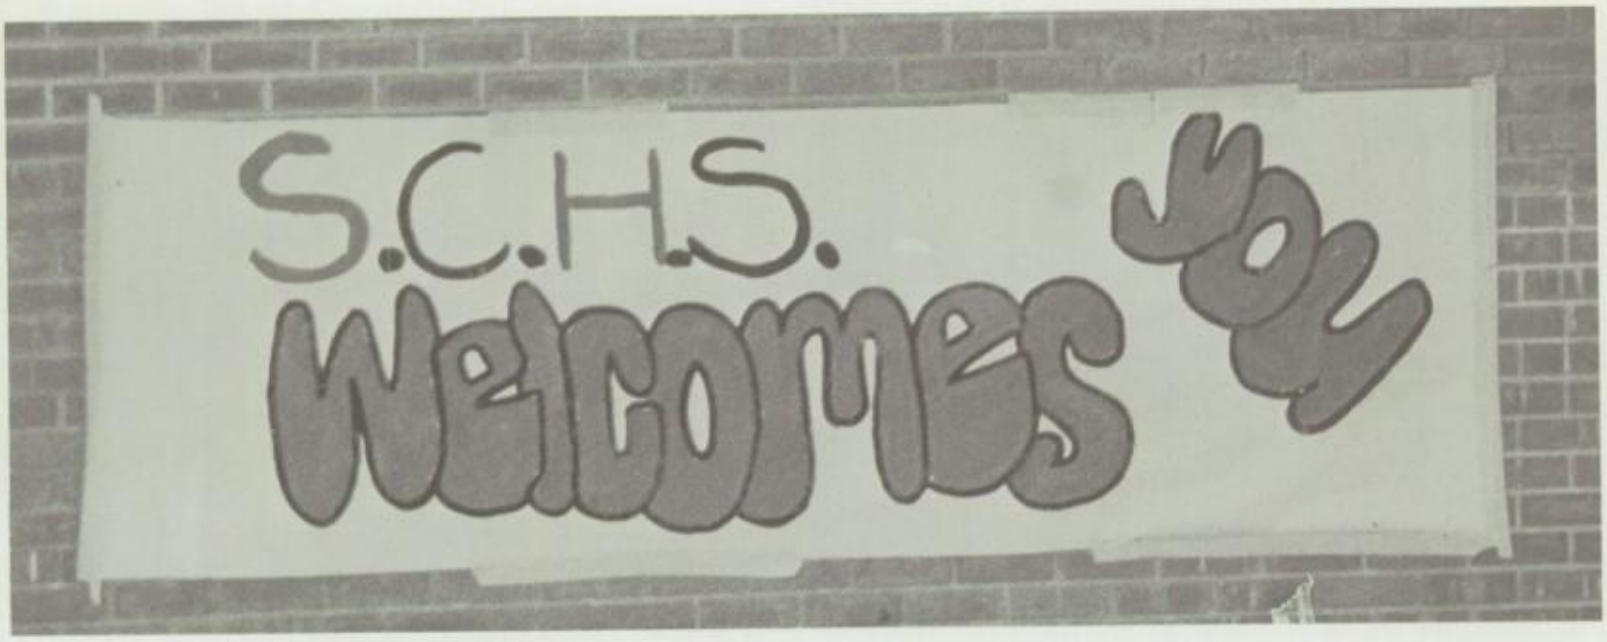
Beginning Impressions . . .

As the 1972-1973 school year got underway, impressions on campus focused on . . . the sharing of the campus with Dana Hills High, which made catching the right bus or driving a car in the parking lot a challenge . . . the first-ever, but highly successful "Fifties Week," which inspired changes in both clothing and activity styles . . . and the senior class domination of class competitions during football pep assemblies.



Unforgettable First Weeks

Newcomers and returning students alike were greeted on Sept. 25 by signs welcoming them to the 1972-73 year — a year that was to be filled with exciting, vivid impressions. Club Week, early in October, was typified by the Spanish Club burrito sale. That same week ASB officers were officially sworn into office. "Fabulous Fifties Week," from Oct. 23 to 27 featured costumes and hula hoop and Elvis Presley-Marilyn Monroe look-alike contests. Another early project — but one which took many weeks to finish — was the painting of the ASB Park, formerly the Senior Quad.

Powder Puff Football

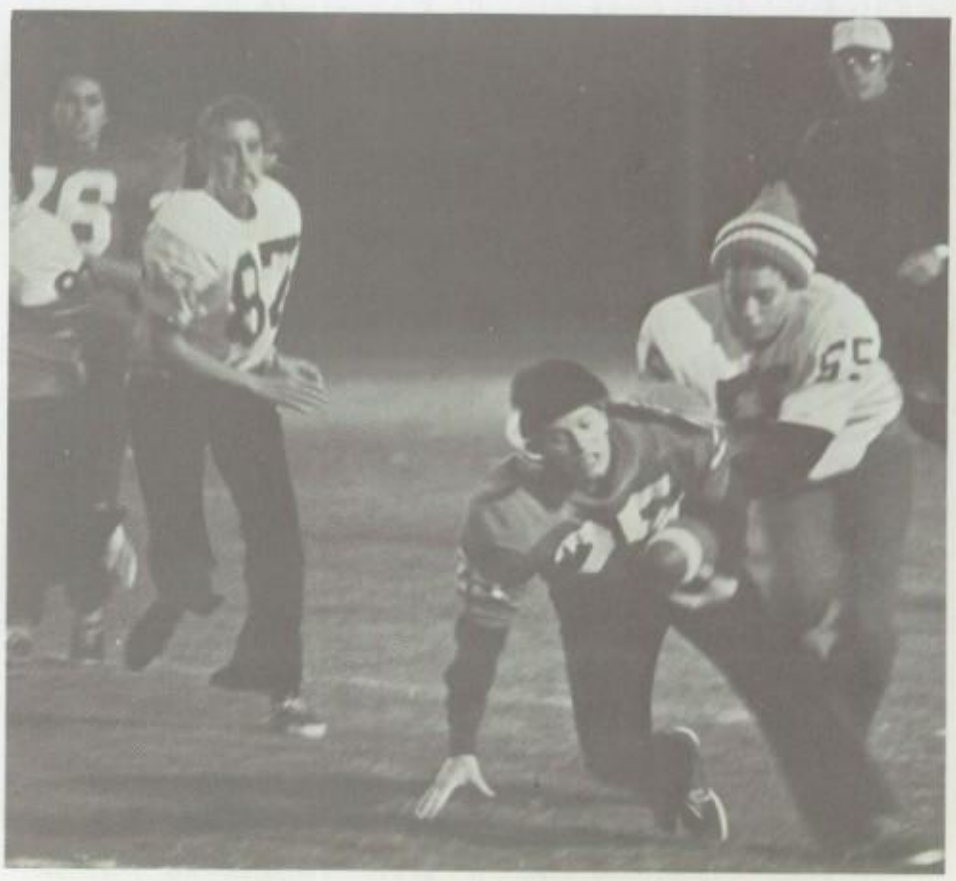
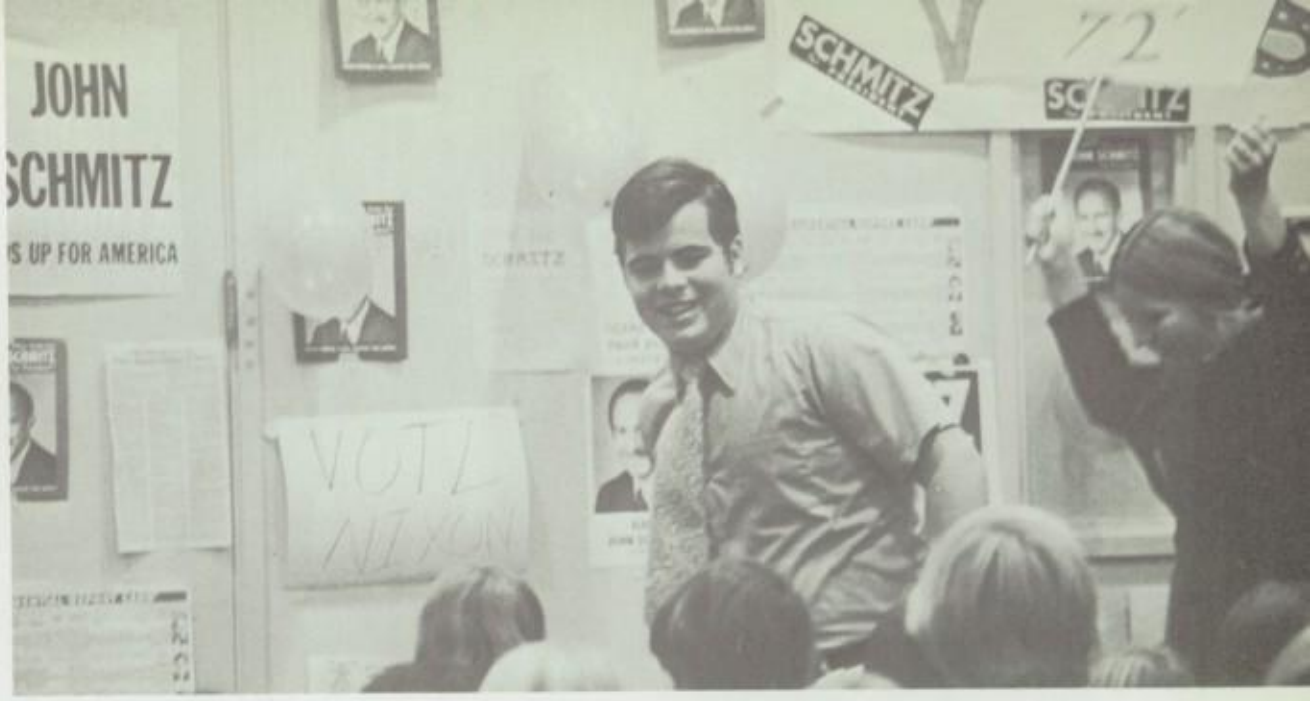
Senior rooter Chuck Raht registers disbelief at final score.

Juniors 12 ... Seniors 6

SC's junior girls scored an upset victory over the seniors in the 1972 version of the Powder Puff football game. After the juniors elected to receive, on the third play of the game tight end Debbie Frye ran a 48-yard reverse to give her team a 6-0 lead. The next score came in the second half when Hildi Litman ran in a 20-yarder to tie the game. Coming right back, junior QB Debbie Reynolds threw to Cris Casler on the two, which set up another TD as Reynolds took it in herself. An awesome goal line stand prevented the seniors from scoring again, even when they had a first down inside the ten with a minute to go.





SC Holds Mock Election

Major campaign roles were played by Marshall Ininns as Senator George McGovern *(photo above);* Sonny Masso as Congressman John Schmitz *(photo left);* and, Scott Swentek as President Richard Nixon *(photo below, left).*

Nixon Wins . . . .

President Richard Nixon was favored over Senator George McGovern by a large margin in the SCHS Mock Election organized by the new American Culture class. Conducted during the four periods of the school day on Nov. 7, the event drew standing-room-only crowds to the Little Theater. Students laughed, booed, and cheered their favorite candidates. It was a roaring campaign . . . posters, buttons, hats, placards, and balloons were everywhere. Costumed participants, witty remarks, and even a small band added to the spirit of the occasion. In addition to expressing their preference for President Nixon, students also voted yes to both the death penalty and marijuana propositions.

Christmas Week

Chosen as members of the royal court for the 1972 Christmas Formal were, *from left,* Dawn Lemon and Junior Prince, Lance Swigart; Lisa Vance and King John Filipoff; Shelley Birtcher and Senior Prince Bill Gower; and, Jeni Steffensen and Junior Prince Bob Bishop. Not pictured are Tina Pugliese and Senior Prince Gary Blough.

A long-standing finishing touch to Christmas week activities at SC is the Christmas Formal sponsored by the Girls' League. The traditional girl-ask-boy dance, usually held in the Triton Center, was moved off campus for the first time this year and held at the new San Clemente Community Clubhouse. This provided more atmosphere for the "Christmas is Remembering" theme. Members of the court were selected by vote of all the girls in school and announced midway through the dance.

The Shuffle Concert was another highlight of Christmas week. Popularity of the rock group, based on past performances, brought them back again for an assembly and night concert.

Another Christmas week activity was the annual door decorating contest, won this year by Mr. Richard Johnson's homeroom. The class spent the prize money on a new tree for the campus.

A royal portrait occupies King John Filipoff and Lisa Vance *(top photo)* before joining the court for a post-coronation dance *(above).*

It wasn't only the students who enjoyed the Shuffle Concert. Mrs. Henrie and Mr. Graybeal boogie on the dance floor.

New Student Hour

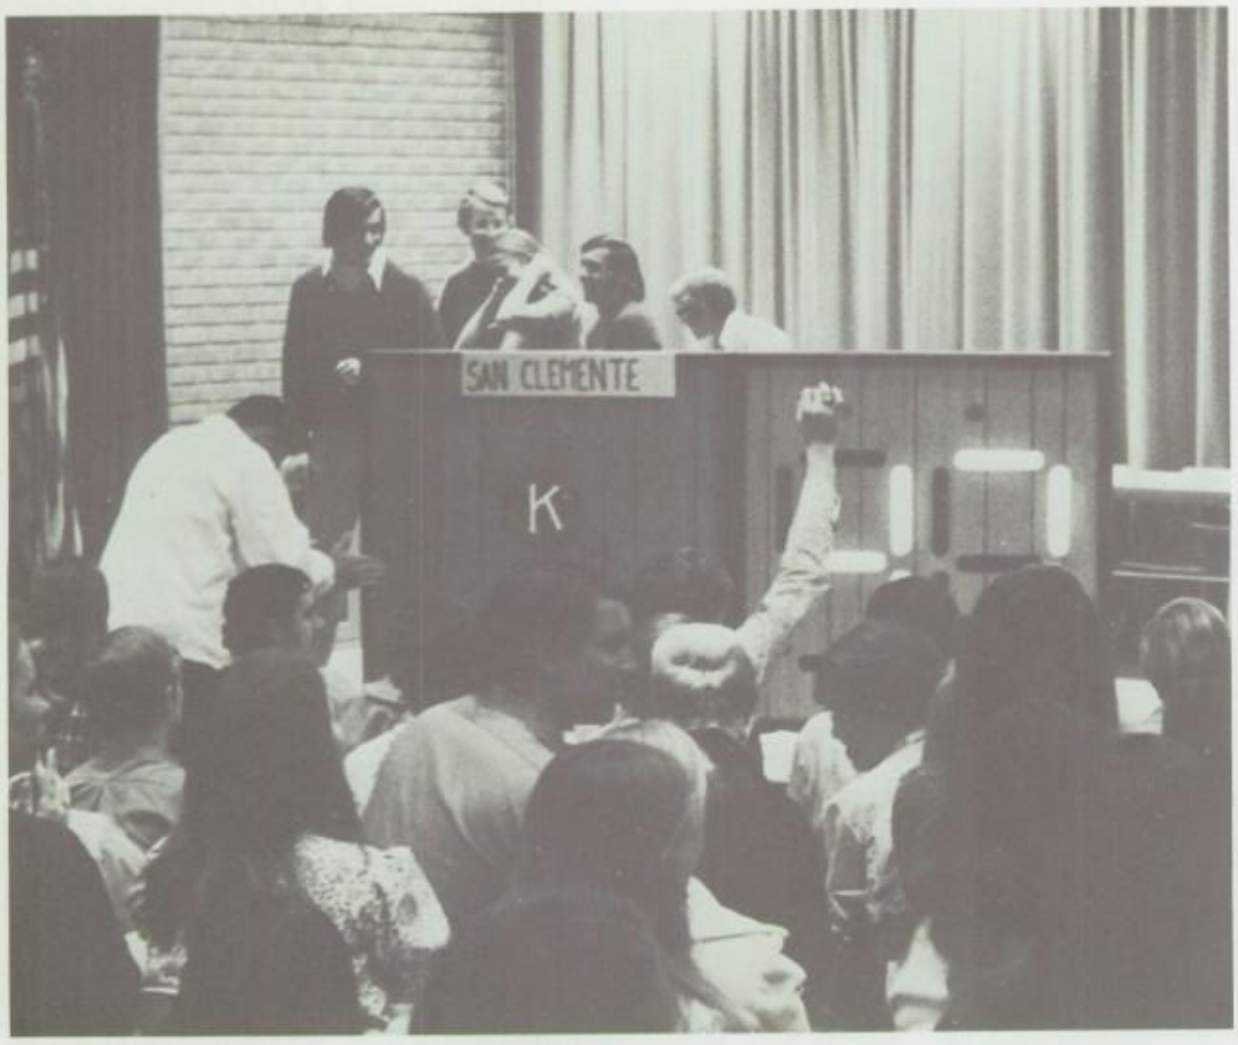
The breathing space afforded when DHHS left the SC campus resulted in an innovative schedule — a schedule which underwent several changes — and the addition of a Student Hour. An endless parade of interesting and educational activities was featured during the Student Hour. Students had the option of improving skills and knowledge through individual conferences, obtaining tutorial help, or attending open laboratories, mini-courses, lectures, assemblies, and Congress and club meetings.

Dana Hills Moves

The creation of Dana Hills High to accommodate part of SCHS' increasing population brought a number of "firsts." Included were a senior class of 650 — the school's largest, by far — a tumbling class schedule, and dual sessions during which SC held classes in the morning and DH classes met in the afternoon. A lengthy controversy over the splitting of ASB funds between the two schools finally was settled when SCHS' Congress decided to allot $874, which was 28 percent of the ASB's 1972 reserve, to Dana Hills. As parting gestures, the schools exchanged gifts — a Dolphin statuette to Dana Hills, and a White Alder tree to San Clemente.

When We Were Very Young ... Spirit Week

A wagon race around the library, a bubble gum blowing contest, story book day, a jump rope contest which included the special participation of Girls' Vice Principal Mrs. Barbara McCarthy, and a roller skating race were among the highlights of SCHS' Spirit Week, also dubbed "Little Kid Week." Deriving inspiration from A. Milne's book *When We Were Very Young*, the fun-filled event featured games and activities daily from Jan. 29 to Feb. 2. The SCHS Student Council and Pep Squad organized the festivities to rally support for basketball season, and the jayvee and varsity teams' bouts with Tustin that Friday night. Throughout the week students wore storybook character costumes, while members of the Pep Squad sold lollipops and spirit ribbons. One added attraction was the posting of SCHS basketball stars' baby pictures in the cafeteria, posing riddles as to the identity of each player. The week was capped with an assembly highlighted by the awarding of prizes, including two free Disneyland tickets, to winners of the various contests.



"We won!"

It was victory — and then it wasn't — for the SC team in its bout with Anaheim, at the 1973 Kiwanis Bowl Division II competition. Eight Orange County high schools participated in the SCHS-hosted academic games from which the winning team would go on to the county finals. It was a close fight — 57-54, in favor of San Clemente. However, after the game, Anaheim accused SC of violating a rule which had gone unnoticed by the judges. This occurred when one team member unknowingly answered a question when his partner should have responded. Both had pressed their answer buttons at the same time. The judges hastily decided to replay the game's last three minutes and moved the score back to where the fault had happened. Anaheim won, 61-54, in spite of SC protests.

Having won and having lost, it was a game well played and an educational experience for all those concerned.

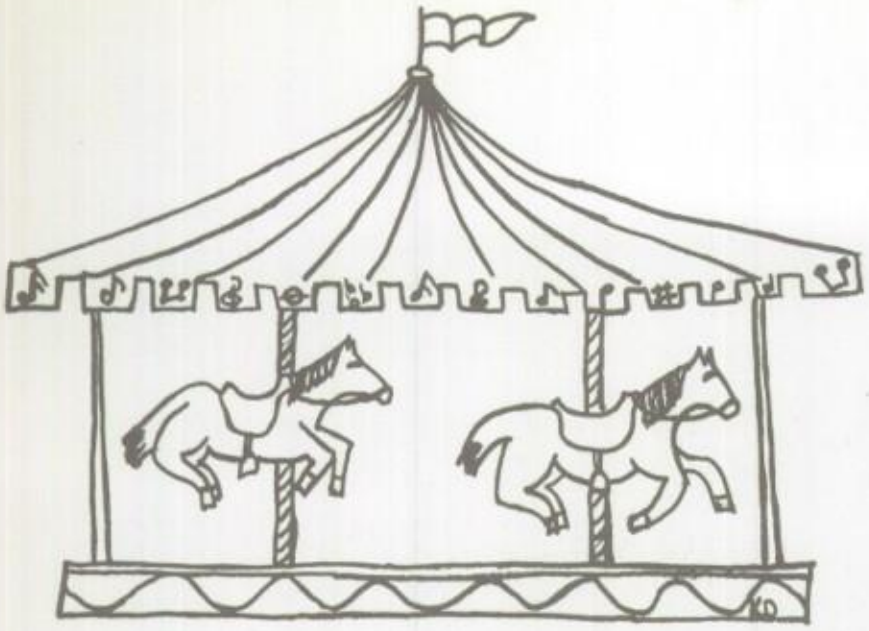
Thinkthinkthink-
Kiwanis Bowl, Forum Series

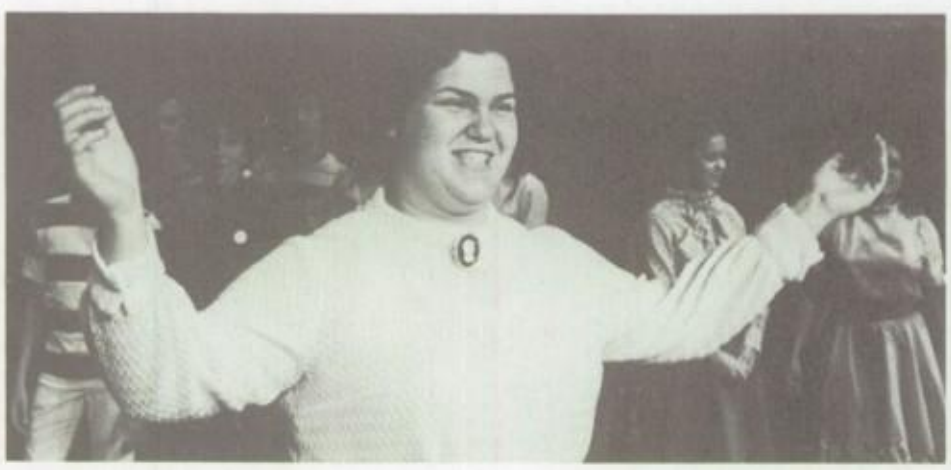
The SC team consisted of, *from left,* Martin Baker, Steve Keith, George Yslas, Maureen Mitchell, and Jeff Hunt.

People of various backgrounds came to speak on their specialties — Mr. Edd Kincaid, Principal of Marco Forster Junior High, spoke on "Emerging African Nations" (photo above); Mr. Bill Aalbersberg, on "Peace Corps, 1973;" and Mr. Jack Merchant, of the Western White House Security, on "The U. S. Treasury Department."

Alternates Mike Chemotti and Chuck Raht, *second and third from left,* and Mr. Drager confer with the team at half time.

Another activity that inspired students to think and explore new fields was the Student Council-sponsored Forum Series. The Series featured such relevant programs as "This Atomic World," presented by the UCLA Nuclear Energy Laboratory; "The Powers That Be," by the SCHS Ecology Club; "Listening Ears," by social workers from the Hot Line; and a drug program by USMC experts from Camp Pendleton. Cultural presentations included a modern dance program by Mrs. Barbara Hansen's dance class; and musical programs by a string trio from the California Institute of Arts, and El Toro Marine Corps Band.





"Carousel"

Combined efforts of the drama and music departments resulted in "Carousel," one of the best musicals in the history of fine arts productions on the SC campus. Under the direction of Mr. Ben McLane, some 70 students spent countless hours in preparation for the four performances. Mrs. Marion Sykes was busy as coordinator-director, arranging details from rehearsals and programs to sets, lighting, costumes, and make-up. Musical director, Mr. Richard Dastrup, not only trained and directed the soloists, but also the men's and women's choruses and the orchestra. His professional influence was evident in renditions of such songs as "If I Loved You" (Reatha Klemme and Nick Manfredo), "You'll Never Walk Alone" (Kathy Carpenter), "Mister Snow" (Lyssa Black and Greg Parker) and "June is Busting Out All Over" (combined choruses).

The Story ..

In a small town on the coast of Maine, in 1873, Billy Bigelow (Nick Manfredo) and Julie Jordan (Reathe Klemme) meet, fall in love, and run away to be married. It costs them both their jobs though, and when they return Julie is pregnant and Billy is unable to get a job. In desperation, he joins his unsavory pal, Jigger (Charles Stephenson), in a robbery attempt, but winds up stabbing himself rather than be arrested. Fifteen years later, Billy looks down from heaven and sees that all is not well with his lovely but rejected daughter. He returns for one day, makes himself visible to Luise (Margaret Alvarez) and gives her a star. The star and words of encouragement give Luise and her mother new hope.

Rallies and Assemblies

People, laughter, cheering, music, fun — these were the substance of assemblies and pep rallies. The result of careful planning and cooperation, these special events drew attention to or successfully climaxed major school activities. Such lively and humorous assemblies as Homecoming. Fifties and Greek weeks kept the studentry in high spirits.

In late April the pep squad elections assembly was held. In an emotional rally later the "old" pep squad drew the "new" pep squad from the crowd, giving each member a carnation.

Impressions of high-jumping cheerleaders, unusually dressed people, bleacher-stomping students, and an ever-present Mr. Drager are especially hard to forget!

Dating Game

This year's version of the annual dating game between San Clemente and Mission Viejo High Schools was successfully hosted by SCHS. It was a series of lively memories — of a band playing Dixie music; of the gym decorated with balloons and paper hearts; and of Mr. Graybeal humorously emceeing the activities. Both teachers and students participated in the many hilarious games. The evening was capped by a dance, with music provided by "The Big T".

student government

senate

As the policy making body of the student congress, the Senate approves all appointments to student government commissions made by the ASB president. Any student interested in becoming a senator may do so by securing 20 signatures on a Senate petition. This year, 36 students participated in student government as senators.

house of representatives

Basic communication between students and student government is the major focal point of the House of Representatives. Members of the House are responsible for carrying information about student activities back to their homerooms. Representatives also initiate House discussion of topics which have been brought to their attention by others in their homerooms.

Under the leadership of President Randy Roberts and with the help of Mr. Dale Drager, Director of Student Activities, the 1972-73 Triton ASB officers worked to beautify the SCHS campus and to improve communications between students, student leaders, and the administration. In the area of communication, a giant step forward was taken when Capistrano Unified School District Trustees approved the addition of a student representative to their official governing board. Mike Chemotti, student administrative liaison, was appointed by the Council to fill the brand new role.

1972-73 thalassa

It seemed as if nothing would ever come out right. Pictures didn't look the way we thought they would. Those that were acceptable didn't ever seem to be the right size. Pages had to be designed and redesigned, done and redone. Three deadlines had to be met at unbelievably early times in the school year. It rained, and rained, and rained. Two things saw us through the production of this book — our ability to see humor in even the darkest of situations, and our willingness to work together. We worked things out and here it is — the 1973 THALASSA. Enjoy it. We gave it all we could.

In this year's first issue, THE TRITON set forth a number of goals. They were to produce an objective, relevant, and accurate student newspaper, and to serve as an instrument of communication. But, the staff held one objective foremost in their minds. They tried to make the newspaper's format varied and interesting enough to capture wide readership. Keeping these objectives in mind, THE TRITON staff succeeded in fulfilling their fondest dreams.

THE TRITON enjoyed probably its most successful year. It suffered no ill effects from the near disaster of the year before. Instead, the staff was often able to double the size of the paper, without requiring ASB funds. This was also the first time in the paper's long history that members of its staff competed in the Orange County Write-Off competition between Orange County high schools. The 1972-73 TRITON staff produced three award winners. The phoenix TRITON staff had finally come to roost.

american field service

The aim of AFS is to promote international understanding through student exchanges. The year-long exchange program now includes 27 countries. AFS also has a summer exchange program involving 58 countries. Activities sponsored by AFS this year included progressive and international dinners, and a trip to Jordan High School in Watts made by Anne Brisson and Ricky Jose, the two foreign exchange students who attended SCHS this year.

Ricky, from Quezon City, Philippines, is living with Dr. and Mrs. Roy L. Byrnes in San Juan Capistrano. He plans to return to the Philippines in July after a two-week tour of the U.S. Upon his return, he intends to enter college on a scholarship.

Anne, who is from Paris, France, is staying with the family of Mr. and Mrs. Harold Rosoff in Capistrano Beach. She will return to France in July, also after a two-week tour of the U.S.

exchange students here and abroad

Steve Keith and Kate Powell

Kate Powell and Steve Keith spent the summer of 1972 abroad as part of the American Field Service Americans Abroad summer program.

After orientation in New York, Kate and Steve flew to Europe. Kate went to Turku, Finland, where she spent the summer with the Vuorio family. Much of their time was spent at the family's summer residence on one of Finland's many islands, where Kate and her two "sisters" could swim, water ski, and sail. The Vuorio family and their American "daughter" also traveled throughout Finland, including a visit to Helsinki, the capital.

Steve went to Germany, where he lived with two different families, each of which could take a student for half of the summer. His first German "home" was in the town of Bruchsal, with the Dehoust family. With the Dehousts, Steve visited much of southwest Germany and enjoyed such activities as kayaking on the Rhine. Before Steve had to leave for Berlin and his second family, the Dehoust family took him on their vacation to Italy. In Berlin he stayed with the Boehle family, and visited every section of the city, including the Communistic Eastern sector.

Kate and Steve each came home with lasting impressions from their European stay, and feel it was a valuable experience. Both maintain close contact with their AFS families and plan to return as soon as they can.

Lupe Gonzales and Luis Dos Santos

Lupe Gonzales and Luis Dos Santos are members of the International Cultural Exchange Program. This organization is different from AFS in that the students participate for one semester only. Both Lupe and Luis came to SCHS at the beginning of the second semester.

Lupe comes from Argentina and is now staying with the Stanley Matchett family in San Clemente. Luis comes from Brazil and is staying with the Harold Markham family in San Clemente.

To promote the play, a contest was held during Homecoming Week to determine the height of the club's giraffe. The weekend before the play, members sponsored a dance which carried out a zoo theme. "Why Not Join the Giraffes?" was a success both as a play and as an inspiration for a week of campus activities.

The most challenging show they've ever done! That was "A Time for Living." The play was the first serious drama the Thespians have attempted at SCHS. It was entered in the Southern California American Education Association High School Theatre Festival.

Nixon and George McGovern. All of these can be simulated and the outcome depends on the skill of the players.

THE ALBATROSS is a student created, student oriented magazine where the short stories, poems, art work, and photography of the SCHS population were gathered together under one name. The original ALBATROSS appeared on campus in 1967. A second volume was published in 1968, but no successors appeared during the remaining years until now. The 1973 version of the magazine was created directly because of student interest. Since no funds were budgeted in advance for the publication, the eight staff members had to attack first the task of raising approximately $600 for printing costs. Several community and campus groups and numerous individuals donated generously to the fund. Once finances were stabilized, staffers turned their attention to soliciting manuscripts, coordinating art and photography, selection and editing of materials, and, finally to technical tasks related to typography, page layout and design, and pasteup of materials for offset reproduction by a professional printer. Prepared in a unique tabloid folded format, the magazine was scheduled for sale on campus early in June. Faculty advisor to the publication was Mrs. Mary Lynn Hartman.

Class of 1973

The Class of '73 graduates as the largest class in the history of San Clemente High School, with 650 seniors. It took four years to happen, but the class finally became the most spirited on campus. In spirit stick competition, the seniors took possession the first week and never lost it. With intense anticipation of their June 28 graduation date, class members joined together for a week of activities beginning with the senior breakfast at the Airporter Inn and ending in the spiritual climax of baccalaureate. Also part of senior week were the senior banquet at the Sheraton Anaheim and grad night at Cota de Caza. Now, as class members step away from SCHS into separate pathways, memories linger -- memories of happiness, unity, and love shared by all. The warmth projected by the Class of '73 will be a lasting reminder of friendships shared, kindling an everlasting love of years gone by.

Let There be Peace on Earth

Let there be peace on earth
And let it begin with me;
Let there be peace on earth
The peace that was meant to be.
With God as our Father,
Brothers all are we
Let me walk with my brother
In perfect harmony.

Let peace begin with me,
Let this be the moment now.
With every step I take,
Let this be my solemn vow;
To take each moment
And live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.

Friends

What a friend we have in time
Gives us children, makes us wine
Tells us what to take or leave behind.

And the gifts of growing old
Are the stories to be told
Of the feelings more precious than gold

Friends I will remember you
Think of you, pray for you
And when another day is through
I'll still be friends with you.

Music is playing inside my head
over and over and over again
My friend, there's no end to the music.
Ahhh - summer is over
But the music is playing and won't
let the world get me down
Pictures are forming inside my brain
Zoom with the colors,
They'll reign together and grow.
There don't you know, they'll be roses.
Ahh - the trail is easy
But the music is playing and won't
let the world get me down.
Music is playing inside my head.

If a man does not
keep pace with his
companions, perhaps
it is because he hears
a different drummer.
Let him step to the
music which he hears
however measured
or far away.

Byal. has been a blast in a German class, probably because you were a riot. Thru laughing or crackin jokes I'll see you in the happiness of your presence. Be happy Mary Dawson

Time it was...
And what a time it was.
It was...
A time of innocence,
A time of confidences.
Long ago it must be;
I have a photograph.
Preserve your memories-
They're all that's left you.

tritons have strong start

The varsity came on strong at the beginning of the season, defeating Bolsa Grande 27-7 and Alemany 22-7 in pre-league action. However, the team's only other victory was a league win over Tustin, 23-7. Ultimately, the Tritons and Tustin tied for last place in the league standings. Injuries plagued the Tritons throughout the season. First on the casualty list was Pat Dauss. Then he was joined by Dan Cannavo and Jim Boyer. All three suffered knee damage. The final blow came when both Triton receivers Jerry Key and Charley Dargan were sidelined with shoulder injuries.

The Tritons netted 2,023 yards during the season, as compared to the 1,840 yards of their opponents. The bulk of this yardage — 1271 yards — came through the air. The average gain per play was 3.9 yards, while punts averaged 36.6 yards and kickoffs 39.8 yards. The highest rushing average was Jim Boyer's 5.0, and Bill Kenney completed 56 percent of his 196 pass attempts. Dargan and Key led the receivers with 43 and 35 receptions, respectively. Among the outstanding tacklers were juniors Vleisides, Swigart, Orsburn, and Murphy, and seniors Hawkins, Hutts, Key, Chemotti, Fisher, and Dargan.

Judged solely on the basis of their won-loss record, the soph footballers had an unsuccessful season. Judged on the basis of their individual accomplishments, however, members of the team did enjoy success. The group was led by co-captains Don Mellor and Larry Poncino. Also contributing in large measure to the team's efforts were Stu Fraser, Vince Herman, and Bill Westfall. Team managers were Paul McGowan and Dave Shevchuk, while Linda Castillo and Louise Gilb were official statisticians for the season.

Bill Limebrook, Stan Mathis, and Brian Wood, *from left,* earned frosh football honors.

Victories were recorded at both ends of the 1972 football season by Coach Jim Ferguson's freshman team. On their way to a 4-5 record, the frosh defeated Marina and Alemany in non-league action and logged lopsided wins over Crestview League rivals El Modena and Villa Park. The Tritons finished 2-3 in league play, not counting forfeits by Katella and Orange who did not field freshman teams this year.

Player recognition went to three stand-outs: Brian Wood, who took dual honors as the team's outstanding back and most valuable player; Bill Limebrook, named the outstanding lineman of the year; and, Stan Mathis, chosen as team captain.

This was Coach Ferguson's first year at the frosh helm. Assisting him were Mr. Tony Glasso, Mr. Joe Cludy, and Mr. Randy Roberts.

The San Clemente High School wrestling team of 1972-73 was, from the start, young and inexperienced. With the splitting of students between SC and new Dana Hills High, the Tritons were left with four wrestlers who had previous varsity experience. Despite the fact that only five seniors were competing on the varsity level, the Triton matmen posted a 5-7 season record. All in all, this season was considered a rebuilding year for Coaches Gary Phillips and Barry Waters.

Martin Baker was chosen as captain by his teammates. Other awards were earned by Ray Eisenhauer for most inspirational and Steve Hester for most improved. Graduating seniors from the team include Martin Baker, Ray Eisenhauer, Bill Gower, Amador Rosales, and Billy Theriault.

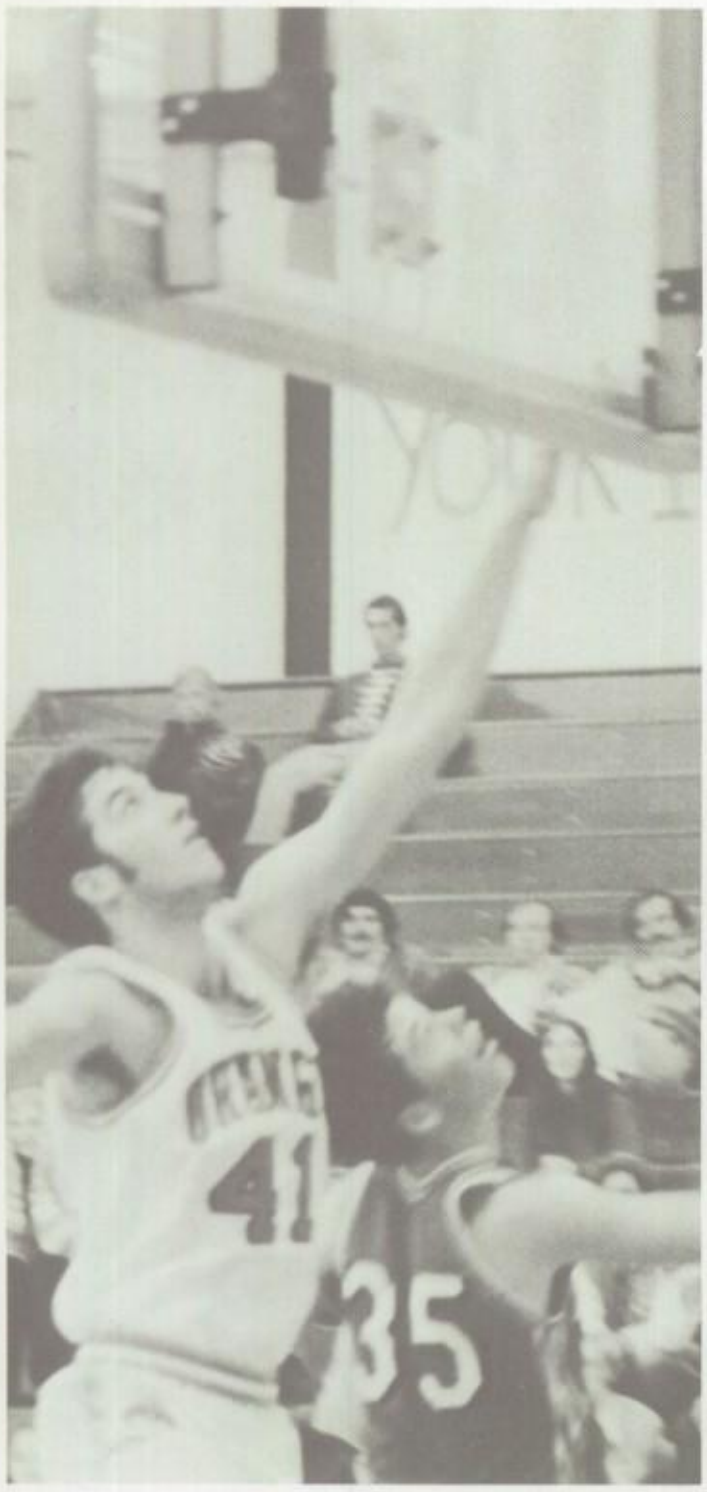
varsity basketball



This year's varsity basketball season was a disappointing one for the Tritons. Plagued by an enrollment loss of 1,100 students to Dana Hills High, SC competed as the smallest school in the Crestview League. The Tritons were handicapped by the toughest pre-league schedule in the school's history, yet managed three wins. One was over the Garden Grove League champion La Quinta. Other season highlights were wins over Bishop Gorman, Foothill, and Mission Viejo, and a mere seven-point loss to number one ranked Katella. Bob Yoder was selected All-Tourney in the Rancho Alamitos Tournament and second team All-League, as well as the team's most valuable player. Bill Kenney was honored as team captain and Charley Dargan was chosen most improved. The Tritons finished with a 2-10 league record.

champs capture 18 wins

The 1972-73 junior varsity basketball team completed the most successful season in history at SCHS. The junior Tritons won 18 games and lost only 7. They captured the consolation championships at Fountain Valley and Santa Ana in pre-season play. Their league record of 10 wins and 4 losses brought them the Crestview League title. Center Dan Dodd was chosen the most valuable player, after averaging 14 rebounds per game. Jock Ditto was the most improved player, and Bob Shepard was the most inspirational. Dodd and Dave Taylor were chosen co-captains. Rod Roberts led in scoring with a 16 point-per-game average.

Building a close-knit, hard-working defensive unit was a fundamental goal of the 1972-73 sophomore basketball team. New Coach Ed Felix brought a philosophy of promoting basically sound, aggressive, and challenging defensive thinking to the team. Meeting this defensive oriented objective was a highlight of the season, along with winning the SC sophomore tourney consolation championship.

Bill Hunt was the team's leading scorer, averaging 9.7 points per game. Captain Ken Ringer led in rebounds with 57.

Frosh basketball season was characterized by SC's hard-nosed, man-to-man defense and a full court hustle. The Tritons were led by Al Sandoval, a quick guard who earned the team's most valuable player award. Fred Bouman was the leading scorer with an average of seven points per game, and Tim Vleisides and Tom Arons were selected as captains. Though only 2-12 in league action, the frosh provided spectators with exciting, spirited play all season.

The 1972-73 Triton cross country team experienced a rough, disappointing season. It ended on a satisfying note, however, when the SC harriers captured their only win of the year against new cross-town rival, Dana Hills High. This was SC's first-ever varsity win over the Dolphins. In the tough Crestview League, the Tritons were small and a lack of depth in personnel hampered the runners. Since the varsity team included many juniors, next year's squad will be strengthened because of their experience.

Varsity award winners were Tom Zanotti and Jeff Hurlbut, co-captains; Jim Lorden, most inspirational; and, Steve Keith, most improved. Hurlbut also received the most valuable runner plaque.

Junior varsity honors went to Jim Welsh as most improved, and Fred Johnson, as most valuable runner.

On the soph-frosh level, Shawn Easley was voted most inspirational and Tom Robinson was named the most valuable runner.

swimming

Members of this year's Triton swimming teams are, *from left, (row one)* Steve Woodrow, Henry Capdeville, and Dan Smith. In *row two* are Mark Haskins, Doug Davey, Bryan Haskins, Steve Cade, Kent Deacon, and Randy Griffin. In *row three* are Coach Benner Cummings, Rick Talcott, Mickey Lashbrook, Don Sewell, David Atkinson, Pat Lineback, Malcolm Wilson, Rick Cardello, and Duncan Wilson.

Using the Marine base pool at Camp San Mateo as a home traning course, the 1973 Tritons swam to victory time and time again. Although Crestview League swimming competition is extremely tough, SC provided the thrill of several upsets during the season.

Coach Benner Cummings' varsity squad set four school records and qualified six swimmers for CIF finals.

Singled out by Coach Cummings as outstanding swimmers on the varsity level were sprinters Duncan Wilson, Rick Cardello, and team captain Rick Talcott. Best times in the breaststroke were earned by Malcolm Wilson and David Atkinson. Atkinson also scored repeatedly for the Tritons in the butterfly event. Top distance swimmers were Pat Lineback and Don Sewell.

Fifteen swimmers will return to the SC team next year, including such promising young competitors as Steve Cade, Bryan Haskins, and diver Dan Smith.

tennis

Nineteen Triton netmen, playing in a tough Crestview League, spent long hours preparing for circuit matches. The 1973 SC tennis team was composed mostly of underclassmen. However, four seniors contributed a steadiness to this young but talented team, according to Coach Rudy Kadlub. They were Steve Brown, Scott Potter, Gregg Kelley, and Kevin McChesney. Looking to the future, Coach Kadlub singled out Gary Hamro, Jim Welsh, Dave Mear, Jory Olsen, and Eric Lidke as players to watch.

golf

Members of the 1973 golf team are, *from left, (kneeling)* Assistant Coach Ed Felix, Kenn Teel, Fred Sanchez, Graham Cowan, and Coach Ray Beaver. *Standing* are Larry Poncino, Scott Harward, Bill Lyons, Don Cook, Bob Crispin, and Scott Severs. *Not pictured* is Marty Morganelli.

With a long history of Crestview League championships to inspire them, members of the 1973 Triton golf team were paced by seniors Scott Harward, Bill Lyons, and Don Cook. The SC team has won the circuit title every year of competition, with the exception of 1971-72 when a second place finish was recorded.

Harward averaged 76-79 per round, excelling as a long hitter and strong fairway player. Sophomore Graham Cowan was the team's number one player and his best round of the season was 71. Described by Coach Beaver as having a great short game, Cowan was consistently accurate with his putts. Number two player Larry Poncino hit the team's longest tee shot of the year, 290 yards. A sophomore, Poncino's strength was pinpointed by Coach Beaver as controlling the driver well.

A highly regarded first year player, Kenn Teel had his best round against Katella, a hot 76. Bob Crispin, who averaged in the 80's, will have another year of varsity competition as a senior. Other strong returning golfers include Marty Morganelli, Fred Sanchez, and Scott Severs. Labeled by Coach Beaver as the biggest surprise of the season, Severs had his best round against Marina, a sizzling 81.

gymnastics

Members of the 1972-73 boys' gymnastics team are, *from left, (seated)* Scott Jorgensen, Joe Ferreira, Matt Kenney, Dave Phillipson, Dave Clarno, David Domingues, Steve Cady, Phil Zirges, Scott Glaser, and Tom Harris. *Kneeling* are Dennis Watts, Bob Walantas, Tom Harlow, Greg DuFour, Bruce Russell, Larry Ridenour, Tom Philippbar, Dennis Phillipson, and Hobie Alter. *Standing* are Coach Tom Eads, Scott Dickey, Paul Nicol, Brett Portwood, Ralph Burt, David Hall, Tim Doudna, Rich Klein, Jay Whitney, Bill Peverill, and Rick Rodarte. *Seated* on the bar is Mike Rutz.

This was the first year SC had a boys' gymnastics team. Although not in league competition this year, Coach Tom Eads hopes to enter several team members in a free lance league in 1974. The gymnasts have many hours of work ahead in order to overcome the obvious difficulties faced by any first year team. However, the team has potential for success next year, according to Coach Eads.

The 1972-73 season marked the beginning of competition for the girls' gymnastics team. The girls began by entering compulsory meets, and the team did well. Towards the end of the season, the team performed optional routines, which were arranged by the girls. Coach Barbara Rusling is optimistic that with the valuable competitive experience gained this year, next season will be a winning one.

Members of the 1972-73 girls' gymnastics team are, *from left, (bottom row)* Julie Springer, Phyllis Bortfield, Sherri Bell, and Alex Limon. In the *middle row* are Kristy Herrera, Mary Lowe, Kathy Cannan, Barbara Byrnes, Donni Douglas, and Kathy Herrera. Members of the 1973 varsity track team include, *from left, (seated)* Burke Hinson, Rick Leedom, Ted Waller, Jeff Hurlbut, Gary Blough, Bill Dougall, Carl Eissman, and Wade Brown. *Kneeling* are Nick Vleisides, Tim Mann, Kyle Guss, Jim Lorden, Steve Keith, Mike Zenner, Steve Anderson, Tom Pritchard, Tom Robinson, and Fred Johnson. *Standing* are Mike Chesnut, Randy Fischer, Rodger Mohme, Mike Chemotti, Primas White, Dave Fischer, Dennis Bialuk, Mike Douglas, Charley Dargan, and Mike Simpson.

Rainy weather handicapped the Triton track teams, forcing cancellation of several meets early in the 1973 season. Forecast for the year had been for a small team turnout, due to the loss of many athletes to newly opened Dana Hills High. Yet despite the limitations of a wet track and fewer total students from which to field a team, approximately 75 athletes participated in track events. Freshmen greatly outnumbered the other classes represented, providing a good nucleus on which to build for future years.

On an individual basis, Primas White high-jumped over 6′3″, for one of the best records in Orange County. Another high scorer was Tim Mann, with a long jump distance of 21′5″. Young pole vaulters Tom Arons, Tim Vleisides, and Wade Brown made good showings during the season, according to Coach Bob Radford.

Also singled out by Coach Radford as assets to the 1973 team were Jeff Hurlbut, Charley Dargan, Fred Johnson, Steve Bialuk, Gary Wise, and Ted Waller, with Johnson and Bialuk tabbed as showing tremendous improvement over their last season's performances. "Jeff Foreman and Brian Wood, who helped out the team with fine showings this year, should be valuable returnees for 1974," Coach Radford concludes.

Fans pack bleachers in hope of SC victory.

The 1973 Triton varsity baseballers were characterized by one very obvious trait — the lack of playing experience. This explains the team's relatively mediocre pre-season play. Players who sat out of baseball last year are Joe Janton, Bob Yoder, Joe Poncino, Bill Kenney, and Tim Kiernan. All of these boys performed extremely well this season, showing steady improvement week after week, according to Coach Marshall Adair. Three sophomores who saw considerable varsity action were second baseman Jerry Nelson, catcher-outfielder Keith Marr, and first baseman Ted Kalota.

Pitching has traditionally been the trademark of Triton teams. This year was no exception with Richard Douglass, Pat Welther, Bill Kenney, Tim Kiernan, and Joe Poncino alternating on the mound.

Players who were juniors this year and are expected to supply the Tritons with scoring punch next year are Mike Stavro, Tom Zanotti, Bill Enquist, Dan Dodd, and Steve Gates. Graduating players in the outfield were Mark Thress and Corky Fisher. Both seniors provided added offensive and defensive strength. Coach Adair credited Assistant Coaches Jerry Solimon and Rod Roberts with doing an extraordinary job.

"If you guys don't win today, just wait until practice tomorrow."

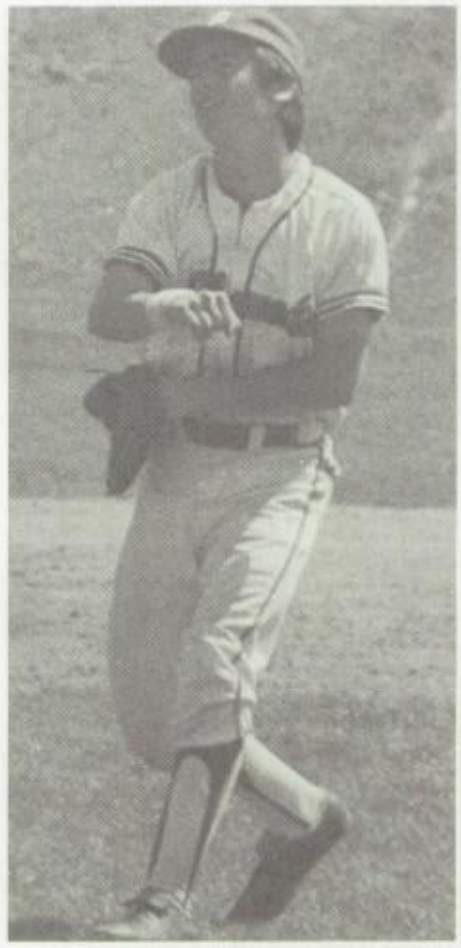
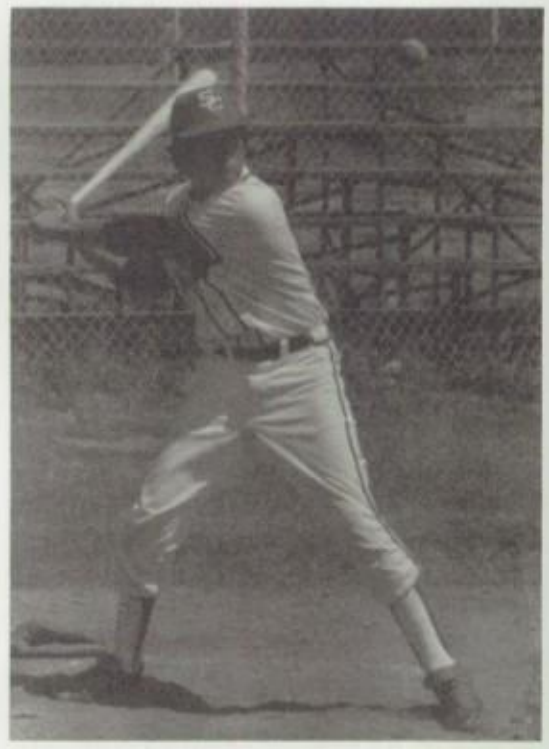
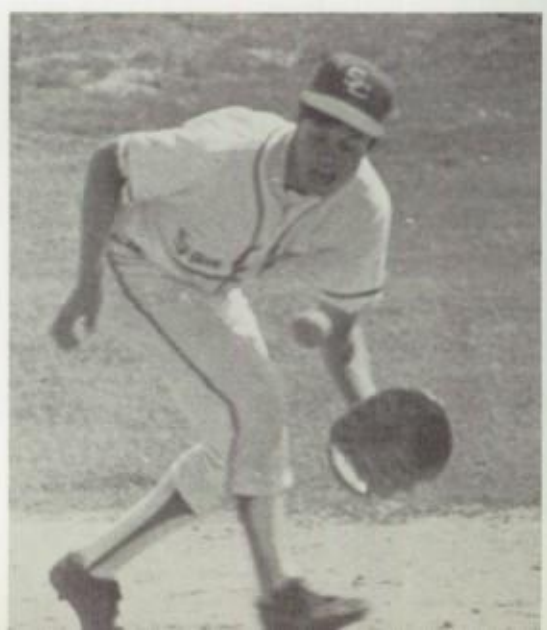
An inexperienced junior varsity baseball team looked forward to a season of education from some of the more experienced teams in the Crestview League. Freshman infielder Al Sandoval anchored the jayvee infield, which committed very few errors, according to Coach Richard Thome. He credited sophomores Pat Nelson, Don Mellor, Terre Hair, and Don Steiner as showing fine defensive promise, and outfielders Steve Soto, Mike Shinkle, Jon Dik, and John Hayden for providing the offensive punch for the jayvees. Hayden, Soto, and Sandoval handled mound chores. Homeruns by Soto, Dik, and Hayden were bright spots in the early going.







soph-frosh baseball

Members of the 1973 soph-frosh baseball team are, *from left, (standing)* Coach Don Isaacs, Danny Lachman, Mark Raudenbush, Frank Rizzo, Don Crummer, Lyle Frost, Mike Pert, Jim Murdy, Mark Loukides, and Pat Maloney. *Kneeling* are Jay Janton, Mitch Sowl, Steve Yslas, Hugh Austin, John Nelson, Nick Schaar, Mark Stavro, and Mike McKinney.

The 1973 baseball season began slowly for the soph-frosh team. However, after losing several games, the team began to show improvement.

Coach Don Isaacs said the team's 8-6 win over Foothill was a turning point in their caliber of play. Inexperience was the major reason for the team's slow start. Several squad members had never played organized baseball before. Coach Isaacs credited the entire team with good hustle but singled out shortstop Mark Stavro, catcher Nick Schaar, third baseman John Nelson, and first baseman Don Crummer as doing an outstanding job on the playing field.

Dr. Darrel Taylor — *Principal*

"Impressions in Time" — What does this mean? Have all students experienced the same? Have all expressed the same feelings? Have all acted identically?

No. Impressions in time are one's most cherished, personal experiences. They are so special that no other person feels exactly as you do about a particular moment, or event, or experience. Some impressions in time have delighted you, some have saddened you, some have been your greatest teachers. Each impression in time has been a unique and particular experience for you.

Impressions in time make up our past and influence our future. They shape us, direct us, change us, and add individual richness to our lives. Above all, they belong to each person in a private way. May each impression in time that you experience add new dimensions to your life. Impressions in time are the wealth of the soul.

IMPRESSIONS IN TIME . . . .

The world we feel with our hearts and imagination ...
The joy that makes happiness ...
The past that is present in the future ....
The wealth of the soul ...
The remembered acts of kindness and of love ...
The contentment that lies in simple things.

The editors of the 1973 THALASSA wish to take this final page to acknowledge all those who helped make this yearbook so memorable. We thank all the members of the THALASSA staff, crazy as they are, not only for their time and effort, but for the countless memories we will always treasure. Our sincerest thanks go to Mrs. Hartman, our advisor, who suffered loss of sanity and sleep, but never lost her sense of humor and her ability to speed read. We deeply appreciate all of our advertisers who, through their financial support, made this book possible. We would like to express our gratitude to Mrs. Gloria McCadam who supplied the THALASSA with a beautiful cover picture. Finally, and most importantly, we thank the faculty and the student body, for without them the book could create no strong or lasting impressions in time.

Best Wishes for the Future.
